

# ACCE *xperience*

## *Actualizing a Culture for Community Engagement*

This intra-campus experience provides your institution with the opportunity to examine your community engagement efforts, identify focus areas, and develop an action plan that empowers your campus to shift its culture for community engagement.

You, and others from your institution, will work with experts from Community-Engaged Alliance (CEA) throughout the ACCE Experience.

### *The ACCE Experience*

- ✓ Commit to participating in the ACCE Experience with CEA
- ✓ Form a cross-campus strategic planning team
- ✓ Engage in multiple planning calls & complete a pre-retreat campus self-assessment
- ✓ Participate in a day-long strategic planning retreat
- ✓ Develop a Community Engagement Action Plan and Logic Model that reflects campus goals
- ✓ Continued support to help you meet campus goals

### *Community Engagement Self-Assessment Topics*

- ◆ Internal culture and external identity
- ◆ The fiscal and administrative structure, and policies
- ◆ Collaboration across academic and non-academic units
- ◆ Authentic and reciprocal community partnerships
- ◆ Efforts to track, monitor, and assess campus initiatives
- ◆ Academic curriculum
- ◆ Student life and development
- ◆ Research and scholarship pursuits
- ◆ Personnel decision-making policies
- ◆ Campus stakeholder activities
